BACKGROUND ON PUBLIC AND INDIAN HOUSING

PUBLIC HOUSING. The Low-Income Public Housing program is authorized under the United States Housing Act of 1937, as amended. It authorizes the U.S. Department of Housing and Urban Development (HUD) to provide technical and financial assistance to public housing agencies (PHAs) in the provision of decent, safe and sanitary dwellings at affordable rents to lower-income families. The public housing program is administered at the local level by PHAs which are non-Federal public agencies authorized by State legislation and generally established by action of a town, city, county, regional area or state.

The PHA functions in the capacity of developer, owner and manager of its lower-income public housing developments. The PHA has the responsibility for planning, financing, constructing, and managing its properties subject to applicable laws and contractual relationships with HUD and the local governing body. The landlord-tenant relationship of the PHA is established by virtue of its ownership of the properties and the provisions of individual leasing agreements with its tenants. The PHA performs all of the functions of a private landlord, including leasing units, collecting rents, maintaining the properties, and all of the other responsibilities related thereto.

PHA responsibilities for public housing developments are embodied in the State enabling legislation and an Annual Contributions Contract (ACC) entered into between the PHA and HUD. A PHA is required to operate each lower-income project for the purpose of providing decent, safe and sanitary dwelling units within the financial reach of lower-income families and to operate the project with efficiency, economy, serviceability, and stability.

HUD assists PHAs financially through the ACC by providing capital funds for developing new developments and by making annual contributions (debt service payments) according to the ACC. In addition, the Department provides PHAs/IHAs with annual operating subsidies to assist in maintaining the lower-income character of the developments, providing adequate administrative and maintenance services, and to ensure financial solvency. Operating subsidies help cover annual deficits arising as a result of rent limits and the costs of operations, including utilities that exceed scheduled rents.

HELENA HOUSING AUTHORITY

HHA was established by resolution of the Helena City Commission in August of 1939. HHA owns and operates 366 units of public housing scattered amongst 26 different sites throughout Helena. HHA currently administers 381 Local Housing Choice Vouchers, 36 Permanent Supportive Housing (PSH) Vouchers, and 5 Veteran Affairs Supportive Housing (VASH) Vouchers. HHA is also authorized to administer 229 Housing Choice Vouchers, 18 Mod Rehab vouchers, 25 VASH vouchers, 2 Emergency Housing Vouchers, and 7 Mainstream Vouchers for the State of Montana. HHA is also the managing agent for two tax credit projects of 47 units which are treated as component units.

Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

- E. The audit scope with regard to federal financial assistance for each fiscal year covered by this contract must be as specified in Appendices A, B and C. Any change to the audit scope with regard to federal financial assistance requires a contract amendment.
- F. Except as provided below, for purposes of determining the scope of the audit, the Entity is considered the financial reporting entity as defined in the Entity's applicable financial reporting framework prescribed at Section 2-7-504, MCA. This provision does not preclude the Entity from engaging a different audit firm for the audit of a segment, fund or component unit of the Entity. However, both the Entity and Contractor shall notify the State whenever the Entity elects to engage a different audit firm for the audit of a segment, fund or governmental component unit. Such additional audit must be contracted for on the State's Standard Audit Contract, and the audit firm shall be on the Roster of Independent Auditors authorized to conduct audits of Montana local governments that is maintained by the State.

If this contract is for an audit of a segment, fund, or governmental component unit of the primary government, the Entity is considered to be the segment, fund or component unit.

- G. Any school district audit must also include auditing procedures sufficient to provide an opinion as to whether the following supplemental information is fairly stated in relation to the basic financial statements:
 - (1) the school district's enrollment for the fiscal year or years being audited as reported to the Office of Public Instruction in the Fall and Spring "Student Count for ANB" reports; and
 - (2) when applicable, the extracurricular funds for pupil functions.
- H. If the Entity is a school district or associated cooperative, the Contractor shall contact the State Office of Public Instruction and the county superintendent of schools before or during the audit of the Entity. The Contractor shall determine whether those offices are aware of potential financial or legal compliance problems relating to the Entity that could affect the scope of the audit.
- I. The Contractor shall immediately notify the Entity and the State in writing of any material irregularities it discovers. If the Entity is a school district or special education cooperative, the Contractor shall also immediately notify the State Office of Public Instruction in writing. To notify the State, Contractors shall email LGSPortalRegistration@mt.gov to the attention of the Local Government Services Bureau Chief. To notify the State Office of Public Instruction, Contractors shall email OPIAuditReport@mt.gov to the attention of the OPI Auditor.
- J. The Contractor shall notify the Entity of all proposed audit adjustments and, if the Entity concurs, shall obtain written acceptance of these proposed adjustments. The State reserves the right to request documentation of these proposed and accepted audit adjustments.

5. **Entity's Responsibilities:** The Entity shall be responsible for:

- A. its basic financial statements, including note disclosures;
- B. all supplementary information required by its applicable financial reporting framework prescribed at Section 2-7-504, MCA and by provisions of this contract;
- C. establishing and maintaining effective internal control over financial reporting, including internal

controls related to the prevention and detection of fraud;

- D. ensuring that it complies with the laws, regulations, contracts and grant agreements applicable to its activities;
 - E. making all financial records and related information available to the Contractor;
 - F. the schedule of expenditures of federal awards required for audits conducted under Uniform Guidance;
 - G. approving all proposed audit adjustments before posting, if the Entity concurs with the proposed adjustments;
 - H. adjusting the financial statements and accounting records to correct material misstatements and to agree with the audited financial statements; and
 - I. providing the Contractor, at the conclusion of the audit engagement, with a letter that confirms certain representations made during the audit, including an affirmation that the effects of any uncorrected misstatements aggregated by the auditor during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.
6. **Dates for Annual Financial Report or Trial Balance of Accounts:** The Entity shall prepare its annual financial report or a trial balance of accounts no later than the dates specified in Appendices A, B and C. If the Entity is unable to prepare its annual financial report or trial balance by the date specified in the Appendices, the Entity shall notify the Contractor and the State in writing prior to the specified dates.
7. **Beginning the Audit:** The Contractor shall begin the audit field work based on the schedule established in Appendices A, B and C. Under Section 2-7-503(3)(a), MCA, all audits must commence within nine months from the close of the last fiscal year of the audit period.
8. **Completion of Audit:** The Contractor shall deliver the audit report to the Entity and the State, based on the schedule established in Appendices A, B and C. If the Contractor cannot deliver the audit report to the Entity and the State on the date specified in the Appendices, the Contractor shall notify the Entity and the State in writing of that fact, and the reason(s) for the delay. Under Section 2-7-503(3)(a), MCA, all audits must be completed and the reports issued within one year from the close of the last fiscal year covered by the audit. If the audit is conducted in accordance with the provisions of Uniform Guidance, the Contractor shall complete the audit and issue the audit report within the time period required by that federal regulation, unless a longer period has been agreed to in advance by the federal cognizant or oversight agency for audit. If the Entity has requested and received an extension of the due date of the Uniform Guidance from a federal agency, the Entity shall submit a copy of the approved extension to the State.
9. **Due Date Extension:** The State may grant an extension to the Entity for filing the audit report beyond the one- year due date provided for in paragraph 8, above. To do so, the Entity shall make a request to the State in writing and shall show good cause for the delinquency or demonstrate that the failure to meet the deadline provided for in paragraph 8, above, was the result of circumstances beyond the Entity's control. The State will determine good cause or circumstances beyond the Entity's control based on the facts of each case.
10. **Presentation of Audited Financial Statements:** The final audit report must contain basic financial statements and supplementary information consistent with the applicable financial reporting framework prescribed at Section 2-7-504, MCA. In addition, other supplementary information required by provisions within this contract and by Uniform Guidance must also be included, if applicable.

- A. The final audit report must also contain any supplementary or other information as agreed upon by the Entity and Contractor.
 - B. If the Entity’s accounting records or other circumstances do not permit financial statements to comply with the applicable financial reporting framework prescribed at Section 2-7-504, MCA, the Contractor shall notify the State of those conditions and describe the financial statements that will be presented. The applicable auditor’s reports must be modified in accordance with professional standards to reflect a departure from the applicable financial reporting framework.
 - C. If the audit is of a school district with separate elementary and high school district general funds, the general funds must be combined as a single major fund. All other funds must be separately considered for major fund criteria.
 - D. If the audit is a biennial audit covering two years, the Contractor shall present complete financial statements as specified above for each year covered by the audit. However, note disclosures for both fiscal years may be in one set of notes, with separate fiscal year disclosures as necessary. The two years must be presented under one audit report cover and opined upon in one Independent Auditor’s Report.
11. **Auditor’s Reports:** All audit reports must contain the following auditor's reports, which must comply with applicable professional standards in effect for the fiscal year or years being audited:
- A. a report on the financial statements of the Entity;
 - B. a report on internal control over financial reporting and on compliance and other matters based on an audit of financial statements performed in accordance with Government Auditing Standards.
 - C. a reference to a report disclosing any deficiencies in internal control or instances of noncompliance with provisions of contracts or grant agreements or abuse that have a less than material effect on the financial statements but warrant the attention of management or those charged with governance. This report must be referred to in the report required in 11.B. above.
 - D. a report on any supplementary or other information presented in the audit report. This report must be given in an “other matters” paragraph(s) of the auditor’s report on the financial statements (11.A. above), and shall identify, if applicable:
 - (1) Any Required Supplementary Information (RSI), as required by the Governmental Accounting Standards Board.
 - (2) Any Supplementary Information (SI) included in the report to comply with provisions of laws, regulations, contracts, or grant agreements. For the following schedules, the Contractor shall report on whether the information is fairly stated, in all material respects, “in relation to” the financial statements as a whole, unless the condition of the financial records do not allow the auditor to render such an opinion:
 - a) schedule of school district “Student Count for ANB” required in paragraph 13.A.;
 - b) schedule of school district extracurricular fund financial activities required in paragraph 13.B.;
 - c) schedule of expenditures of federal awards required by Uniform Guidance and in paragraph

12.A.; and

d) Any supplementary information for financial reporting frameworks required by A.R.M. 2.4.401.

(3) Any Other Information (OI) for financial reporting frameworks required by A.R.M. 2.4.401.

(4) Any Other Information (OI) that is included in the audit report, if deemed appropriate in accordance with professional standards.

E. a report disclosing the action taken by the Entity to correct any deficiencies or implement any recommendations contained in the prior audit report. This report must be in a format that specifically identifies, by title or summary, each deficiency or recommendation contained in the prior audit report and the action taken by the Entity on each such deficiency or recommendation.

F. If the Contractor includes audit findings in the reports referenced in 11.B. and 11.C. above, the views of Entity officials and their planned corrective actions must also be included, as required by Government Auditing Standards, if they are available at the time the Contractor submits the audit report to the State. If the views and planned corrective actions are not available at that time, the Contractor shall so indicate in the reports.

12. **Single Audits:** All audit reports for single audits done in accordance with Uniform Guidance must contain the following:

A. a schedule of expenditures of federal awards, prepared by the Entity, which must contain all elements required by Uniform Guidance.

B. a report on the schedule of expenditures of federal awards. This report may be combined with other reports as provided by Uniform Guidance and professional standards. This report must comply with applicable professional standards in effect for the fiscal year or years being audited.

C. a report on compliance for each major program and a report on internal control over compliance in accordance with Uniform Guidance. These reports must refer to the separate schedule of findings and questioned costs described in paragraph 12.D. of the contract and must comply with applicable professional standards in effect for the fiscal year or years being audited.

D. a schedule of findings and questioned costs which must include the information required by Uniform Guidance.

E. an Entity-prepared document, separate from the Contractor's findings, that describes the Entity's corrective action plan in accordance with Uniform Guidance for each current-year audit finding, if that plan is available at the time the Contractor submits the audit report to the State. This document should be submitted on Entity letterhead and should include a corrective action plan for each finding, regardless whether the finding is identified in accordance with Uniform Guidance or Government Auditing Standards.

13. **School Districts:** School district audit reports must include the following as supplementary information/schedules:

A. a schedule of the district's enrollment as reported to the Office of Public Instruction for the fiscal year or years being audited. The schedule must contain the enrollment both as reported in the Fall and Spring

“Student Count for ANB” reports and as documented by the school district's enrollment records; and

- B. a detailed schedule of extracurricular fund financial activities.
14. **Local Governments Reporting on Non-GAAP Financial Reporting Framework:** Audit reports of local governments that report on a non-GAAP financial reporting framework as provided in A.R.M. 2.4.401 must include any Supplementary Information and Other Information required in that administrative rule.
15. **Written Report to Entity:** The Contractor shall render a single, written report for the Entity audited, including the reports and schedules referenced in paragraphs 11 through 14 above.
16. **Exit Conference:** Before submitting the final audit report, the Contractor shall hold an exit review conference in which the audit results are discussed with those charged with governance and other appropriate Entity officials and employees. The Contractor shall ensure that all members of the governing body and key members of management are notified of this exit conference. The Contractor further agrees that before the exit conference, it will not discuss the audit findings with anyone other than the Entity or the State. Once the Contractor delivers the final audit report to the Entity, the report is deemed to be a public record.
17. **Report Distribution:** The Contractor and Entity shall file copies of the audit report as specified below:
- A. The Contractor shall provide the Entity with the number of copies of the audit report specified in Appendices A, B and C. The cost of those copies is included in the total price for the engagement as set out in paragraph 2.A., above, and in the Appendices.
 - B. The Contractor shall submit one of the copies referred to in 17.A., above, to the attorney for the Entity.
 - C. Upon request by the Entity, the Contractor shall provide additional copies of the audit report at a price per copy agreed upon by the Entity and Contractor.
 - D. The Contractor shall provide the State with a text-searchable, unlocked, and unencrypted electronic copy of the audit report at no charge. The report must be submitted to the State at the same time when the Contractor delivers the final audit report to the Entity. Any report delivered separately to management or those charged with governance identifying findings and recommendations as described in 11.C. above must be submitted electronically at the same time the audit report is submitted. The Contractor shall advise the State, at the time of submitting the electronic report, of the date the final report was delivered to the Entity, the date of the audit report, the actual number of hours the Contractor spent conducting the audit, the total audit fee billed the Entity, and whether the audit was conducted in accordance with the provisions of Uniform Guidance.
 - E. If the Entity is a school district or associated cooperative, the Contractor shall provide at no additional charge copies of the audit report to the Office of Public Instruction, the county superintendent of schools, and the county attorney.
 - F. If the Entity is a city or town fire department relief association disability and pension fund, the Contractor shall provide at no additional charge one copy of the audit report to the city or town clerk.
 - G. If the audit is a single audit conducted in accordance with the provisions of Uniform Guidance, the Entity shall provide copies of the reporting package defined in Uniform Guidance and the data collection form to the federal clearinghouse designated by OMB.

18. **Entity Response:** If not included in the audit report as provided in paragraphs 11.F. and 12.E., within 30 days after receiving the audit report, the Entity shall notify the State in writing as to what action it plans to take to correct any deficiencies or implement any recommendations identified or contained in the audit report as required by Section 2-7-515, MCA, and ARM 2.4.409. This notification must also address any findings and recommendations identified in any report to management or those charged with governance described in 11.C. above. If the audit is a single audit conducted in accordance with Uniform Guidance, this corrective action plan must also meet the requirements of Uniform Guidance. If the Entity is a school district or special education cooperative, the Entity shall also send a copy of this notification to the Office of Public Instruction.
19. **Entity's Attorney:** If requested by the State, the attorney for the Entity shall report to the State on the actions taken or the proceedings instituted or to be instituted relating to violations of law and nonperformance of duty as required by Section 2-7-515(4), MCA. The attorney shall report to the State within 30 days after receiving the request.
20. **Certification of Auditor Independence:** The Contractor certifies that, as required by generally accepted government auditing standards, it and its principals and employees are independent in all matters regarding this engagement. This contract must not include non-audit services. The Contractor shall neither arrange for nor accept other work with the Entity that could in any way impair the Contractor's compliance with professional independence standards. If required by the State, the Contractor shall provide documentation that independence has been maintained in both mind and appearance as required by professional auditing standards.
21. **Contractor and Subcontractors:** The Contractor shall not assign any rights, or subcontract or delegate any duties of the contract without the Entity's and State's prior written consent.

The Contractor is the prime contractor and is responsible, in total, for all work of any subcontractors. Any subcontractors performing audit work shall be on the Roster of Independent Auditors authorized to conduct audits of Montana local governments that is maintained by the State. The Contractor is responsible to the Entity and the State for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors or agents. There is no contractual relationship between any subcontractor and the State.

22. **State Participation in Conferences:** The State may participate in all entrance and exit conferences between the Entity and Contractor, as well as all major conferences held in conjunction with the audit of the Entity.
23. **Access to Records:** The Contractor shall give the State and, when required by law, the Montana Legislative Audit Division, access to the Contractor's work programs, supporting working papers, time records, and all other documents relating to the audit. Access to these documents must be provided at the State's offices in Helena, Montana. Access to working papers includes the right of the State to obtain copies of working papers, as is reasonable and necessary. The Contractor shall make the work programs and supporting working papers available to the State for use by the State or other public accounting firms as directed by the State in future audits of the Entity. The Contractor shall make the audit programs and supporting working papers available to the cognizant or oversight agency for audit or its designee, federal agencies providing direct or indirect funding, or the U.S. General Accounting Office, if requested. Access to working papers includes the right of federal agencies to obtain copies of working papers, as is reasonable and necessary. The Contractor shall retain the audit report, work programs, and supporting working papers for a minimum of five years from the date of the audit report, unless the State notifies the Contractor to extend the retention period. If professional standards or other applicable laws, rules, or regulations require a longer retention period, the Contractor shall retain the above materials for that specified period.
24. **State Review of Report:** As provided by Section 2-7-522, MCA, the State shall review the Contractor's audit

report. If the State determines that reporting requirements have not been met, it will notify the Entity and the Contractor of the significant issues of noncompliance. The Contractor shall correct the identified deficiencies within 60 days of notification.

25. **Independent Contractor:** The Contractor is an independent contractor and neither its principals nor its employees are employees of the State or Entity for any purposes.
26. **Workers' Compensation:** The Contractor certifies that it carries Workers' Compensation for its employees and that it has either elected Workers' Compensation or has an approved Independent Contractor's Exemption covering the Contractor while performing work under this contract. (Montana Code Annotated, Title 39, Chapter 71).
27. **Indemnity:** The Contractor shall defend and indemnify the State and Entity, their elected and appointed officials, agents, and employees from and against all claims, causes of action, damages, liabilities, court costs and attorney fees in favor of the Contractor's employees or third parties for bodily or personal injuries, death, or damage to property arising from the acts or omissions or alleged acts or omissions of the Contractor and/or its agents, employees, representatives, assigns, subcontractors under this contract. This defense and indemnify obligation does not apply to acts or omissions arising from the sole negligence of the State or Entity under this contract. This defense and indemnity obligation survives termination or expiration of this contract.

If the Contractor is or may be obligated to pay any cost, settlement, judgment, fine, penalty, or similar award or sanction as a result of a claim, investigation, or other proceeding instituted by any third party, then to the extent that such obligation is or may be a direct or indirect result of the Entity's intentional or knowing misrepresentation or provision to the Contractor of inaccurate or incomplete information in connection with this engagement, and not any failure on the Contractor's part to comply with professional standards, the Entity shall defend and indemnify the Contractor against such obligations.

28. **Insurance – Commercial General Liability:** The Contractor shall maintain for the duration of the contract, at its cost and expense, occurrence coverage insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work by the Contractor, and/or its agents, employees, representatives, assigns, or subcontractors. The Contractor's insurance coverage shall be primary insurance for the Contractor's negligence with respect to the State and Entity and their elected officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the State and Entity and their officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

Insurance - Professional Liability: The Contractor shall purchase and maintain occurrence coverage to cover such claims as may be caused by any act, omission, negligence of the Contractor or its officers, agents, representatives, assigns or subcontractors.

If occurrence coverage is unavailable or cost-prohibitive, the state will accept 'claims made' coverage provided the following conditions are met: 1) the commencement date of the contract must not fall outside the effective date of insurance coverage and it will be the retroactive date for insurance coverage in future years, and 2) the claims made policy must have a three-year tail for claims that are made (filed) after the cancellation or expiration date of the policy.

The State and Entity may require complete copies of certificates of insurance during the term of this contract.

29. **Compliance with Laws:**
 - A. The Contractor shall, in performance of work under this contract, fully comply with all applicable federal, state, or local laws, rules, regulations, and executive orders including but not limited to, the

Montana Human Rights Act, the Equal Pay Act of 1963, the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. The Contractor is the employer for the purpose of providing healthcare benefits and paying any applicable penalties, fees and taxes under the Patient Protection and Affordable Care Act [P.L. 111-148, 124 Stat. 119]. Any subcontracting by the Contractor subjects subcontractors to the same provisions.

B. In accordance with 49-3-207, MCA, and Executive Order No. 04-2016 the Contractor agrees that the hiring of persons to perform this contract will be made on the basis of merit and qualifications and there will be no discrimination based on race, color, sex, pregnancy, childbirth or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this contract.

30. **Work Accommodations:** The Entity shall provide the Contractor with reasonable space in which to conduct the audit and shall respond promptly to requests for information as well as for all necessary books and records. Support for clerical, equipment, reproduction services shall be agreed upon by the Entity and the Contractor as specified in Appendices A, B and C.

31. **Termination before Audit Commences:** Before the commencement of the audit, either the Contractor or the Entity, with the State's consent, or the State alone, may terminate this contract for cause if another party has breached a material term or condition of this contract or violated an applicable law or regulation. The non-breaching party shall provide the other party written notice of the breach and allow 20 days to remedy the breach.

The Contractor and the Entity may agree to terminate this contract without cause before the commencement of the audit. If such a termination occurs, the State shall consent to the termination upon written notification by the Contractor and the Entity of their agreement to terminate this contract.

The State, however, will not consent to the cancellation of an audit contract for the sole purpose of allowing the Contractor and Entity to then enter into a new contract that extends the number of fiscal years to be audited by the Contractor. Unless there are extenuating circumstances, the existing audit contract must be completed first. This provision does not prohibit the cancellation of a contract for the purpose of replacing an annual audit with a biennial audit.

32. **Termination after Audit Commences:** After the audit has commenced, but before the audit report has been issued, either the Contractor or the Entity, with the State's consent, or the State alone, may terminate this contract for cause if another party has breached a material term or condition of this contract or violated an applicable law or regulation. The non-breaching party shall provide the other party written notice of the breach and allow 20 days to remedy the breach. If the Contractor is the breaching party and fails to remedy the breach, the Contractor is not entitled to the fee set out in this contract. This is the Entity's and the State's sole remedy. If the Entity is the breaching party, the Entity shall pay the Contractor a pro rata portion of the fee set out in this contract, based on the percentage of work completed at the time of termination. This is the Contractor's sole remedy.

The Contractor and the Entity may agree to terminate this contract without cause after the audit has commenced but before the audit report has been issued. If such a termination occurs, the State shall consent to the termination upon written notification by the Contractor and the Entity of their agreement to terminate this contract.

33. **Contractor Compliance with CPE and Quality Control Review:** The Contractor certifies compliance with the continuing professional education requirements and the external quality control review requirements as set out in Government Auditing Standards, as established by the Comptroller General of the United States. The State may require the Contractor to provide evidence that it has met the above requirements.
34. **Single Audit Act Certification:** If the audit is required to meet the requirements of the Single Audit Act of 1984, as amended, and Uniform Guidance, the Contractor certifies that neither it nor any of its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from performing audits by any Federal department or agency.
35. **Time is of the Essence:** Time is of the essence regarding all provisions of this contract.
36. **Governing Law and Venue:** This contract is governed by the laws of Montana. The parties agree that any litigation concerning this contract in which the State is named as a party must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana. Each party shall pay its own costs and attorney fees, except as otherwise allowed in this contract. The parties also agree that any litigation concerning this contract in which the State is not named as a party must be brought in the State of Montana Judicial District in the County in which the Entity is located. Each party shall pay its own costs and attorney fees, except as otherwise allowed in this contract.
37. **Notice:** All notices under this contract must be in writing and will be deemed given if delivered personally, by mail, certified, return receipt requested, or by e-mail. All notices will (a) if delivered personally, be deemed given upon delivery, (b) if delivered by mail, be deemed given upon receipt, or (c) if delivered by e-mail be deemed given upon receipt.
38. **Invalid Provision:** If any provision of this contract is held to be illegal or unenforceable and the parties' rights or obligations will not be materially and adversely affected, such provision will be (a) severed from the contract, (b) the contract will be interpreted as if such provision was never a part of the contract and (c) the remaining provisions will stay in effect.
39. **Authority:** Each party represents that the person signing this contract has the authority to bind that party.
40. **Entire Agreement and Amendment:** This contract and the attached Appendices contain the entire understanding and agreement of the parties. No modification or amendment of this contract is valid unless it is reduced to writing, signed by the parties, and made a part of this contract.
