BACKGROUND ON PUBLIC AND INDIAN HOUSING

<u>PUBLIC HOUSING</u>. The Low-Income Public Housing program is authorized under the United States Housing Act of 1937, as amended. It authorizes the U.S. Department of Housing and Urban Development (HUD) to provide technical and financial assistance to public housing agencies (PHAs) in the provision of decent, safe, and sanitary dwellings at affordable rents to lower-income families. The public housing program is administered at the local level by PHAs which are non-Federal public agencies authorized by State legislation and generally established by action of a town, city, country, regional area, or state.

The PHA functions in the capacity of developer, owner, and manager of its low-income public housing developments and other affordable housing. The PHA has the responsibility for planning, financing, constructing, and managing its properties subject to applicable laws and contractual relationships with HUD, other funding sources, and the local governing body. The landlord-tenant relationship of the PHA is established by virtue of its ownership of the properties and the provisions of individual leasing agreements with its tenants. The PHA performs all of the functions of a private landlord, including leasing units, collecting rents, maintaining the properties, and all of the other responsibilities related thereto.

PHA responsibilities for public housing developments are embodied in the State enabling legislation and an Annual Contributions Contract (ACC) entered into between the PHA and HUD. A PHA is required to operate each lower-income project for the purpose of providing decent, safe, and sanitary dwelling units within the financial reach of lower-income families and to operate the project with efficiency, economy, serviceability, and stability.

HUD assists PHAs financially through the ACC by providing capital funds for capital improvements to its existing housing according to the ACC. In addition, the Department provides PHAs with annual operating subsidies to assist in operating and maintaining the housing programs. Operating subsidies help cover annual deficits arising as a result of rent limits and the costs of operations, including utilities that exceed scheduled rents.

HELENA HOUSING AUTHORITY

HHA was established by resolution of the Helena City Commission in August of 1939. HHA has two affiliated non-profits: Helena Housing Development Corporation and Wilder Apartments Inc., which are used to develop, own, and manage affordable homes in the Helena area. HHA owns and operates 366 units of public housing scattered amongst 26 different sites throughout Helena. HHA currently administers 381 Local Housing Choice Vouchers, 36 Permanent Supportive Housing (PSH) Vouchers, and 5 Veteran Affairs Supportive Housing (VASH) Vouchers. HHA is also authorized to administer 229 Housing Choice Vouchers, 18 Mod Rehab vouchers, 25 VASH vouchers, 2 Emergency Housing Vouchers, and 7 Mainstream Vouchers for the State of Montana. HHA is also the managing agent for two tax credit projects of 47 units, which are treated as component units. HHA also owns three (3) buildings in Helena which it leases to community partners: the Family Investment Center, located at 347 N. Last Chance Gulch; the Helena Learning Center, located at 940 N. Roberts St.; and the Headstart building, located at 1221 Billings Ave.

 - (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
 - (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/HUD after receipt at the HA;
 - (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
 - (4) Is the only offer received.
- (b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.
- (c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.
- (d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.
- (e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

- (f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.
- (g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.
- (h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

- (a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.
- (b) The HA may
 - (1) reject any or all offers if such action is in the HA's interest,
 - (2) accept other than the lowest offer,
 - (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.
- (c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

- (d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.
- (e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.
